Goodbye and Good Luck

On behalf of all the staff, governors and children I would like to say a few goodbyes to those that are leaving us at the end of the week. First of all to Mrs. Waite who is retiring after 35 years at New Moston (see below for details of her replacement) and to Mrs. Flanagan who will be leaving us to go and train as a teacher. We wish them both the very best of luck for the future. I would also like to say goodbye to the Year Six pupils and their families and to wish them every success for the future.

New Deputy Head Appointed

I am delighted to able to inform you that the Governors have appointed Miss D Land to be the new Deputy Head. Unfortunately due to the timescales involved in appointing people and the resignation periods needed Miss Land will not be able to start with us until 1st January. In the short term Mrs. Humphries has agreed to stay on an extra term and will teach Miss Land’s class until she takes up post. Many of you will know that Mrs. Waite is also our Special needs Co-ordinator, Miss Land will take on this role in January, but next term any questions or issues regarding Special Needs should be directed at your class teacher in the first instance, and then to Mr. Partington.

Thank you and enjoy the hols!

Just a quick personal thank you to everyone for making me feel so welcome in my first year at New Moston, and for the overwhelmingly positive support I’ve had for some of the changes I’ve introduced. I’ve thoroughly enjoyed my first year here and am already looking forward to the next one. But before that holidays! I hope you all have a relaxing and enjoyable break.

Start and Finish Dates

Just a quick reminder that we finish on Friday this week (16th) and return to school on Monday 6th September.

Dinner Money

Dinner Money will be £10 per week from September and should be paid each Monday morning.

Uniform

As I’m sure many of you will be buying new school uniform over the summer now seems as good as any to remind you of what school uniform is:

- Blue school Jumper or Cardigan
- Red or White Polo Shirts or Plain white shirt / blouse
- Blue / Black or grey trousers / skirt
- Blue and white checked dress
- Black shoes

Having double checked school policy documents it is Governors policy that children should have black shoes or trainers. It would be nice if everybody came in shoes in September as a) shoes are better for your child’s feet and b) they are usually cheaper! In September I will enforce this policy strictly—no multicoloured footwear please!!!
